

Dear Sirs or Ladies:

I am writing because it has been said that you want to do away with a law that our state has about telemarketers. I do not receive anymore annoying phone calls. That is 0 telemarketers to interrupt my family meals or evening time. If I want to buy something I will go to the store and read my paper or go online to find out what I want. Please do not interfere in our state. Thank you for your time and consideration. Sincerely Renee Kline
